

Confirmation of EMG Training

2027 EMG Examination | May 15, 2027

Submission deadline: to be confirmed

Complete all fields and all three checkboxes. The Training Director must sign and date the form. Save the completed PDF and submit the signed form as instructed.

1 Candidate and training

Candidate name

Full-time training: dates and duration

At least 4.5 days/week with a formal education program; minimum 3 months. Non-continuous training is acceptable.

Part-time training: dates and duration

Equivalent to 3 further months of full-time training: 60 days or 120 half days.

Approximate number of EMG studies performed during training

Minimum 400 studies

2 Training Director acknowledgements

Each box must be checked by the Training Director.

- ☐ I, as Training Director, hereby certify that the candidate has or will successfully complete the above-described EMG training by the examination date (May 15, 2027) and is competent for the independent practice of EMG.
- ☐ If, for any reason, the training is not completed successfully or is interrupted, I agree to inform the EMG exam board by contacting Heather Dow at emgexams@eventsmgt.com, Tel: (613) 531-9210.
- ☐ I acknowledge and agree to respond to an email confirmation of completion of training in May 2027.
